Subject: EDL NTEMSO - Communications Guideline and MSATS Procedure - Second Stage Consultation

Dear Market Operator,

EDL thanks you for the opportunity to respond to the second stage of the Communications Guideline and MSATS Procedure consultation.

We note that second stage of the process is primarily related to detailed operational questions for an active retailer, which is most relevant to Jacana.

As such, EDL has no further comments to add to those raised during the first stage of consultation.

Kind regards,

Neil
