1. Context

This template is to assist stakeholders in giving feedback about the changed effective date of the Communications Guideline and associated procedures.

The consultation is being conducted for changing the effective date of the Communications Guideline only.

2. Effective Date

Question	Description	Participant Comments
1	Do you support the inclusion of the interim procedures into the Communications Guideline?	Power and Water supports the inclusion of the interim procedures into the Communications Guideline
2	Do you have any further questions or comments in relation to the inclusion of the interim procedures?	Power and Water would like to better understand the process NTESMO will follow to potentially activate the early termination of the interim procedures. What notice period will market participants be provided of the termination date for the interim procedures? This needs to be an adequate time period to allow Power and Water to implement the required system and training changes.
