Hi Matthew

I have reviewed the [Notice of consultation - NTESMO Communications Guideline and MSATS Procedures | NTESMO](#) online.

It appears this consultation is in relation to Market Participants that use the [MARKET SETTLEMENT AND TRANSFER SOLUTION \(MSATS\)](#) which Eni doesn't use/access.

Eni has reviewed the Communications Guideline together with the associated procedures and guides does not have any comments, therefore will not be providing a submission.

Kind Regards

Antonio
