# 1 Context

This template is to assist stakeholders in giving feedback about the changes detailed in the amended draft procedures associated with the Communications Guideline consultation.

The consultation is being conducted for the amendments to the NT Communications Guideline and associated procedures.

## 2 Participant comments

### Early termination of interim procedures

1. Do participants support the 30 calendar days' notice to end the interim procedures before the expiry?

**Jacana Energy would like to extend the notice period to 45 business days to allow more time for operational readiness, thus supporting the reduction in operational risks associated with implementing the new communication procedures.**

### Other issues related to consultation subject matter

2. Do you have any other suggestions, comments, or questions regarding this consultation?

**No other feedback.**
