1. Context

This template is to assist stakeholders in giving feedback about the changed effective date of the Communications Guideline and associated procedures.

The consultation is being conducted for changing the effective date of the Communications Guideline only.

2. Effective Date

Question	Description	Participant Comments
1	Do you support changing the effective date of the Communications Guideline to 2 September 2024?	Jacana Energy acknowledges the reason for changing the effective date of the Communications Guideline, now set for 2 September 2024.
2	Do you have any further questions or comments in relation to the change in effective date?	<p>Jacana Energy understands that further consultation rounds before the new Go Live date will be required to align procedures with regulatory requirements.</p> <p>Jacana Energy will be assessing the implications of the revised Go-Live date on project viability, including financial implications and downstream impact on our customers.</p>
